Mr. Frank C. Button, President,  
Morehead State Normal School,  
Morehead, Ky.

Dear Sir:

As we have had no word from you recently regarding our tentative plans for the development of the Morehead State Normal School grounds, we are writing to ask if a plan was presented at the last meeting of your Board of Regents and what action was then taken.

We should like to proceed with our work revising and finishing this plan, but of course we can not take any steps in that direction until we know what criticisms or suggestions you and the Board of Regents may have to offer in respect to our tentative layout.

Very truly yours,

RCW/3DO
